Hi All,

Please find the transcript of Dick's Twitter Republic from the 4/2 Global Tea Time [here](#).

Let me know if you need anything else; thanks!

Sincerely,
Johanna

i actually liked the talk i gave yesterday at tea time BETTER than the way i had it scripted.

Can somebody have my twitter republic transcribed and emailed to me? I want to use it as the basis for some of my Quarterly earnings script.

Thanks. I know this is a pain, if we can outsource it, that's fine as long as it's secure.

I need it early next week.
